join sara shipman on a grand tour of the planets signs and houses of your natal chart the combination of planet sign and house is the foundation of every astrological chart analysis and in this book sara shipman sets out her approach to this subject with lucid insightful and down to earth analysis of the meanings associated with each planet sign and house in your natal chart from the beginning of this book sara reminds you that astrology needs to be rooted in real life in the first chapter of this book she sets out her detailed approach to this fascinating subject we then explore the planets to discover what they represent and this is followed by a thorough analysis of the zodiac signs sara reminds us that each sign and its energy influences particular parts of our life so getting to know how those energies manifest is important because it helps us to understand where our inner motivations come from finally we stop by the chart houses as this is where the action takes place we learn how the activities of each house manifest in our lives in

the ways that they do real life astrology planets signs houses is a must read for beginners and experienced astrologers alike sara shipman is an astrologer author and blogger who owns and edits the astrology website starcrazypie com her books include solar returns an introduction this book is the first in the real life astrology series

this book follows up on the foundation provided in fundamentals of vedic astrology and delves into questions such as impulses likely to be generated by the planets in different signs and houses of the natal chart the author cuts through the obscurity of the centuries to present a clear and effective science with a deep psychological background and underpinning

understanding planets their effects each planet emanates certain energy while moving through the zodiac circle some planets move faster like sun moon mercury mars and venus these are called inner planets and they affect us in a more personal and rapid manner influencing our daily life impulses and mood all planets in solar system are revolving around sun in a predefined pattern that's how we know when to wake up and when to go to bed planets however govern a lot more than just occurrence of day and night or eclipses and tides planets have a direct impact on us despite being several light years away while the position of planets does not dictate our everyday actions it does have a profound and close influence on our life and destiny understanding planets their effects much like nobody forces moon to orbit earth humans are also under no force to act in a certain way but everything in the universe is correlated and works in sync so naturally the movement of planets affects our actions as a result much like our actions affect the environment human body is in fact made of elements present in the universe the structure of our brain is very much similar to the structure of universe everything that happens to the universe happens to us our own magnetic field aligns with the earth's magnetic field each object in the universe be it humans earth planets and stars in our galaxy move in a precise symphony so we have to connect ourselves to these energy sources to receive the vibrations and function better each planet emanates certain energy while moving through the zodiac circle some planets move faster like sun moon mercury mars and venus these are called inner planets and they affect us in a more personal and rapid manner influencing our daily life impulses and mood the outer planets move slowly in the sky some even take as much as 25 years to change a sign these include jupiter saturn rahu and ketu and these planets have a more profound and long lasting impact on us unlike say moon astrological significance of planets every planet rules a zodiac sign except rahu and ketu which are in fact not actual planets but two reference points in the sky rahu and ketu are the points where the paths of the sun and moon intersect with each other rahu is the north lunar node the head of the dragon as per mythology and

ketu is the south lunar node the qualities of the zodiac signs somewhat align with the characteristics of the planets for instance impulsive and active aries is ruled by fiery mars dreamy pisces is ruled by spiritual jupiter emotional cancer is ruled by motherly moon while confident leo is ruled by masculine sun

hellenistic astrology is a tradition of horoscopic astrology that was practiced in the mediterranean region from approximately the first century bce until the seventh century ce it is the source of many of the modern traditions of astrology that still flourish around the world today although it is only recently that many of the surviving texts of this tradition have become available again for astrologers to study hellenistic astrology the study of fate and fortune is one of the first comprehensive surveys of this tradition in modern times the book covers the history philosophy and techniques of ancient astrology with a special focus on demonstrating how many of the fundamental concepts underlying the practice of western astrology originated during the hellenistic period

every astrologer needs a good understanding of the astrological houses and houses of the horoscope an introduction provides a practical and valuable sourcebook alan oken masterfully guides you through the concepts of the meanings and the nature of the twelve astrological houses he provides a core description of the twelve areas of life delineated by the astrological house system the energy of each of the planets in the houses tells us where on earth that planet's energy lands and what area of our life it highlights he gives a masterful analysis of how the astrological signs on the house cusps and the planets ruling the signs on houses express the nature of each house the planets signs and houses in a chart represent the what's how's and where's of your life the planets tell us what kind of energy is at work the signs indicate how this energy is working but it is the houses that reveals where the events people and places in your life may be found alan oken provides an expert guide to the understanding of the astrological houses and their interaction with these other elements of the horoscope
