protestantism at its best grounds both its religious and its social critique in the faith of the prophets and the life and teachings of jesus christ as understood and lived by the church its teachings and desired practice stand in stark contrast to complacent religion that seems to be at ease with imperial greed domination and violence resistance and theological ethics collects the edited and updated essays that emerged from the meeting of the theological educators for presbyterian social witness in geneva switzerland and southern france in 1999 inspired there by the sixteenth century forces of renewal unleashed through resistance to an imperial church and society the writings of these educators and ethicists combine to sound a clarion call for the church to stand in resistance to social economic and political forces that threaten while embracing those that foster social justice peace and human welfare each author emphasizes a specific call to nonviolent resistance against powers grounded in particular forms of sin religious pride greed violence and domination divided into three parts the book details social forces to be resisted presents historical and biblical examples of resistance and concludes with theological analysis and advocacy for action in contemporary american society

the religion of jesus or the religion about jesus the cross as christ s atoning

sacrifice or as a courageous prophetic martyrdom with a pastoral prophetic voice and insights derived from a lifetime in parish ministry and theological education meeting jesus the christ again encourages the reader to rethink these and other hotly disputed issues of christian faith taking a big picture perspective and seeking common ground chesnut points us toward a neo classical faith this engaging book calls us back to the vital center of historic christian faith

the big picture traces god s goodness bringing us hope peace and direction the big picture presents the wonderful and awful story of the bible its message has changed and continues to change peoples lives

the big picture takes a look at the great story of god in the bible from genesis to revelation it charts how god is eternally father since before creation and how he reveals himself as father through all scripture it draws together all the various parts of this glorious biblical truth like pieces of a jigsaw that come together into one vast glorious narrative of the love of the father for his lost children it focuses on the father s love and the sending of his son jesus who brings us home it explores how this truth is inspired by the holy spirit in the pages of the bible stephen hill in his foreword says of the big picture i believe that this book is an important part of what paul the apostle called the whole counsel of god it is a resource for now and for the future and many treasures are contained therein

the new bible companion shows how each book of the bible relates to scripture as a whole it examines the historical setting author date geography and purpose of each book outlines reveal the structure of each book and copious notes address the major interpretive problems and historical concerns

simple and bold the black and white visuals in this book are a perfect starting place for your bible lessons helps children focus on the portions of scripture you re teaching when you put all the pieces of this bible time line together they ll see when bible events happened in relation to each other and how those events all fit together to tell one story use it as a progress chart for studying through the bible a simple way to communicate the big picture of what the bible is all about
